

Vibrating feeder selection questionnaire

Vibromekhanika LLC · own production of PEV electromagnetic vibrating feeders, VEM drives and control units

Fill in the parameters below and send this sheet as an attachment via the request form at vibromech.ru/en/kontakty.html or to info@vibromech.ru — this lets us size a model and quote it faster and more accurately. Leave a field blank if you don't know the value yet — we will follow up.

1. Contact details

Company	
Contact person	
Phone	
E-mail	
Date	

2. Equipment and material parameters

No	Parameter	Value
